

“TOGETHER FOR BETTER CARE”

Tri Health Australia is a healthcare staffing agency founded by three seasoned professionals with over 25 years of clinical leadership and administrative experience. We're committed to improving care quality across Victoria by providing timely, ethical, and skilled staffing solutions. Understanding the strain workforce shortages place on healthcare, we've built a responsive, compliant model to deliver fast and reliable support. We serve hospitals, aged care facilities, and mental health services, connecting them with qualified Registered Nurses, Enrolled Nurses, PCAs, Mental Health Clinicians, and Allied Health Professionals. More than just a staffing agency, Tri Health Australia is your partner in achieving better patient outcomes through people who care.

RESIDENTIAL AGED CARE STAFFING

Personalised Support for Seniors in the Comfort of Residential Aged Care Services

At Tri Health Australia, we provide aged care nurses who deliver compassionate, high-quality care to residential aged care facilities.

- Qualified & Reliable Care Staff
- Skilled staff available on short notice
- Dignity-Driven Approach

ACUTE CARE SERVICES

Expert Care When You Need It Most

Our District/Community Nursing Services deliver skilled, compassionate care at home—supporting recovery, independence, and quality of life with prompt and professional nursing support.

- Immediate and Responsive Care
- Highly skilled Registered Nurses, Enrolled Nurses and Allied Health professionals
- Coordinated Recovery Support

MENTAL HEALTH & WELLBEING

Experienced Mental Health Clinicians When and Where You Need Them

At Tri Health Australia, we provide experienced Mental Health Clinicians to support staffing gaps on a casual basis. Our clinicians are skilled in acute inpatient care, Crisis Assessment and Treatment Teams (CATT), and Mental Health and Wellbeing services across Victoria, including rural and remote areas.

- Experienced Psychiatric Nurses and Mental Health Clinicians
- Immediate staffing support with short notice
- Trauma informed; patient centred care in line with VIC - Mental Health and Wellbeing Act 2022

COMMUNITY NURSING SERVICES

Dedicated Nursing Support Tailored to Your Ongoing Health Needs

At Tri Health Australia, our Community Nursing Services help individuals maintain health and independence at home. Our experienced nurses provide tailored care for managing conditions and recovering after hospital stays.

- Complex and chronic disease Management.
- Diabetes Support
- Continence Management
- Wound Management
- Stoma Care
- Specialised community nursing care after hospital stay
- Home Dialysis
